

Talk:RTM quick start

This page was filled with content and needs to be reviewed and accepted. It also needs a summary (Template).

- Modelling / Modeling : I think this is another case of US vs. GB spelling. Please adopt one consistently. [Airy Magnien \(talk\)](#) 07:42, 15 April 2016 (CEST)
 - ♦ I tried to adopt all to "modelling" but then the linking won't work anymore. Result: No changes has been done so far. [Tobias Voitun \(talk\)](#) 18:53, 30 May 2016 (CEST)
 - ♦ done. --[Christian Rahmig \(talk\)](#) 13:46, 8 June 2016 (CEST)
- See A.P. contributions regarding network representations at different levels. The example first contributed here is micro level. Levels are best illustrated under this section. [Airy Magnien \(talk\)](#) 07:45, 15 April 2016 (CEST)
 - ♦ This may be addressed for the specific example under the section "RTM for developers". --[Christian Rahmig \(talk\)](#) 13:49, 8 June 2016 (CEST)
